Vision

Young people have power and experience unconditional belonging at school, at home and in their communities.

Values

Youth-centered – We take bold, creative action in support of young people’s self-determination.

Wholeness – We give and receive real support and care for ourselves, clients and communities. We bring our whole selves to work.

Accountability – We operate from an anti-oppression foundation. We act with integrity and intentionality and encourage each other to be better every day.

Anti-racism – We operate with anti-racist principles* to undo racism and end all intersecting forms of oppression.
