WHEREAS, requests have been submitted by the Washington Defender Association, TeamChild, and the King County Department of Public Defense to adopt this order to ensure the safety and well-being of young people, their families and their communities

WHEREAS, on March 23, 2020, Governor Inslee issued an Executive Order directing all residents immediately to heed current State public health directives to stay home and prohibiting public and private gathering of any size.

WHEREAS, congregate settings, like detention centers and juvenile rehabilitation facilities, present grave risks to the health and well-being of young people, their families and their community due to the ease with which viruses, like the novel coronavirus, can spread in that setting;

WHEREAS, the Court finds the suggested additions to its March 20, 2020 Order to be responsive to the rights and needs of juvenile respondents and the goals of the Juvenile Justice Act during the present public health emergency;

NOW, THEREFORE, pursuant to the Court's authority to administer justice and to ensure the safety of the courts, personnel, litigants, and the public, it is hereby ORDERED:

1.
