

STAFF ATTORNEY
SPOKANE COUNTY OFFICE

TEAMCHILD

TeamChild is a nationally recognized nonprofit legal aid organization serving youth across Washington State, with office locations in Seattle, Tacoma, Yakima and Spokane. TeamChild’s mission is to uphold the rights of youth involved, or at risk of involvement, in the juvenile legal system to help them secure the education, healthcare, housing and other support they need to achieve positive outcomes in their lives. We have three mutually reinforcing program strategies: legal services, policy advocacy, and training and community education. Core to all of our work is our legal services program, which reaches youth 12-24 years old in four of Washington’s largest counties as well as youth incarcerated in our state’s juvenile prison and community facilities. Our clients are youth and young adults who are entangled in juvenile court and the child welfare system and need civil legal advocacy to prevent homelessness, access education and employment and get their basic health and other needs met. In our work, we also aim to move systems away from exclusion, punishment, arrest, and incarceration towards more effective and community-based strategies that address root causes and provide culturally meaningful and developmentally appropriate support and opportunities for young people.

At TeamChild we believe that racial and other social identities should be respected and affirmed. In support of this belief, we are building an equitable and inclusive organization and providing our team of staff, volunteers and Board members with the tools to address institutionalized racism and other forms of oppression. All members of our team are responsible for providing and supporting an equitable and inclusive work environment that will enrich our interactions with each other and our products and services. This responsibility provides the foundation for empowering the children and families that we serve so their needs are justly represented and their desires amply fulfilled.
