Staff Attorney, Yakima County

WHO WE ARE

TeamChild is a nationally recognized nonprofit legal aid organization serving youth across Washington State, with office locations in Seattle, Tacoma, Yakima and Spokane. TeamChild's mission is to uphold the rights of youth involved, or at risk of involvement, in the juvenile legal system to help them secure the education, healthcare, housing and other support they need to achieve positive outcomes in their lives.

TeamChild achieves impact through three main program strategies: civil legal services, training and consultation, and policy advocacy. Our broad impact goals include (1) decriminalization, decarceration, and abolition, (2) expanding and investing in community-led and community-based alternatives and resources, (3) increasing equitable access to education, healthcare and housing supports, and (4) shifting power and repairing harm in BIPOC communities.

At the core of our work is our legal services program, which reaches youth 12-24 years old in four of Washington's largest counties as well as youth incarcerated in our state's juvenile prison and community facilities. Our clients are youth and young adults entangled in our juvenile court and child welfare systems who deserve quality civil legal advocacy to achieve housing security, access education and employment, and get their basic health and other needs met.

At TeamChild we believe that racial and other social identities should be respected and affirmed. In support of this belief, we are building an equitable and inclusive organization and providing our team of staff and Board members with the tools to address institutionalized racism and other forms of oppression. All members of our team are responsible for providing and supporting an equitable and inclusive work environment that will enrich our interactions with each other and our services. This responsibility provides the foundation for shifting power to the youth and families that we serve so their needs are justly represented, and their goals amply fulfilled.

THE ROLE

TeamChild is seeking a full-time staff attorney in our Yakima County office. This is an opportunity to be part of a collaborative team that is dedicated to client-centered legal advocacy and working to continually reflect and improve our client services and office and program practices. Primary job duties include providing holistic civil legal representation to youth who are at risk of or already involved in the juvenile justice and child welfare systems. Advocacy involves breaking down legal barriers to a wide array of community-based services and supports, including but not limited to, education, safe and stable living situations, mental health care and medical services, and other civil rights issues. Activities include legal advice and/or representation in administrative or judicial proceedings, negotiations or other dispute resolution processes, advocacy in juvenile court in partnership with public defenders to promote alternatives to secure detention, and collaboration with and referrals to community providers. The staff attorney is also responsible for other advocacy activities, including community training, outreach, and policy work on behalf of our client base.

There is flexibility in this position for some remote work and work from our Yakima Office. TeamChild staff have mostly continued to work remotely due to the pandemic. When it is safe, we anticipate some planning and work from the office. This position involves travel in order to meet with clients and community.
