

REGIONAL MANAGING ATTORNEY

SPOKANE AND YAKIMA COUNTIES

WHO WE ARE

TeamChild achieves impact through three main program strategies: civil legal services, training and consultation, and policy advocacy. Our broad impact goals include (1) decriminalization, decarceration, and abolition, (2) expanding and investing in community-led and community-based alternatives and resources, (3) increasing equitable access to education, healthcare and housing supports, and (4) shifting power and repairing harm in BIPOC communities.

At the core of our work is our legal services program, which reaches youth 12-24 years old in four of Washington's largest counties as well as youth incarcerated in our state's juvenile prison and community facilities. Our clients are youth and young adults entangled in our juvenile court and child welfare systems who deserve quality civil legal advocacy to achieve housing security, access education and employment, and get their basic health and other needs met.
